

## **Buildsoft Publications**

### **Terms and Conditions**

#### **1. Acceptance of Terms**

By accessing and using Buildsoft Publications, users agree to comply with these terms and conditions.

#### **2. User Responsibilities**

- Users must provide accurate information during registration.
- Any misuse or fraudulent activity may lead to account suspension.
- Faculty members and reviewers must maintain confidentiality of submitted journals.

#### **3. Submission Guidelines**

- All submitted journals must adhere to academic integrity.
- Plagiarism in any form is strictly prohibited.
- Authors are responsible for obtaining necessary permissions for copyrighted material.

#### **4. Review and Publication**

- The review process will follow standard peer-reviewing practices.
- The final decision for publication rests with the editorial board.

#### **5. Liability Disclaimer**

- Buildsoft Publications is not responsible for any loss or damages resulting from journal content.
- The platform does not guarantee journal acceptance or publication.

---

## **IEEE Guidelines for Journal Submissions**

#### **1. Formatting Requirements**

- Authors must follow IEEE formatting standards, including citation and reference styles.
- Manuscripts should be in double-column format with proper headings and figures.

#### **2. Ethical Standards**

- Research papers must adhere to ethical research and publication practices.
- All sources and contributors must be properly cited.

#### **3. Review and Decision Process**

- The peer-review process ensures quality and validity of submitted content.
- IEEE reserves the right to reject papers that do not meet the required standards.

---

## Copyright Information

### 1. Intellectual Property Rights

- Authors retain copyright of their work but grant Buildsoft Publications a non-exclusive right to publish.
- Any reproduction or redistribution of content must credit the original authors.

### 2. Use of Published Content

- Published content is for academic and research purposes only.
- Commercial use of articles without prior permission is prohibited.

### 3. License Agreement

- Authors agree to a Creative Commons License for distribution and use of their published work.
- The journal holds the right to remove or edit content violating copyright policies.
